Sir:

The undersigned Attorney was appointed attorney in this case and filed the appropriate Power of Attorney as well as Change of Correspondence Address on 19 July 2004. No action was taken by the USPTO. On 11 February 2005 after much frustration, the undersigned Attorney then requested the Commissioner of Patents to enter the Power of Attorney and the Change of Correspondence Address. Nothing has been heard from the Office of the Commissioner.

We have reviewed the private PAIR System for this case and our Firm is still not entered in this case.

It is requested that someone in the Commissioner's Office review this situation and inform the undersigned Attorney at (410) 465-6678 why the

appropriate papers have not been scanned and that the undersigned Attorney is still  
not entered in this case.

Sir:

The undersigned attorney has been very frustrated in trying to have the Power of Attorney, Statement Under 37 CFR 3.73(b) and the Change of Correspondence Address entered in the above-referenced case.

The Power of Attorney and Change of Correspondence Forms were filed on 19 July 2004. No action has been taken by the USPTO to change the correspondence address.

Enclosed are receipt postcards and copies of the papers filed on 19 July 2004.

The only way the undersigned attorney was able to look at the case is through the PAIR System (since this has been published). No indication of the

Power of Attorney and Change of Correspondence Address is noted in the file wrapper.

This is a very serious matter in that when the Patent Office issues an Official Action, the undersigned attorney will not be apprised of any due dates.

It is respectfully requested that someone enter this Power of Attorney and Change of Correspondence Address and place it in the file wrapper in order that the Examiner, when issuing an Official Action, will send the Official Action to the proper party.

Respectfully submitted,
